| Respite Services      |                                      |

## REHABILITATION

### Restore mobility and reach optimal health

Reclaim independence and function with the rehabilitation program at The Grove. With the help of our expert therapists, residents will complete therapy and exercise focusing on addressing challenges with mobility, pain, and overall physical well-being. Pain management incorporates a multidisciplinary approach to care, from physical therapy and alternative therapy to monitored medications.
